Birmingham Settlement is looking to recruit an energetic and adaptable individual to head up our Sports & Community Centre in Kingstanding.

This is a great opportunity for the right person to join us as we continue to develop and invest to support the communities and individuals we serve. The Sports & Community Centre has a newly installed sports pitch, small gym, sports hall, and community halls/rooms. It also has a large outside field prime for development as part of our nature and wellbeing programmes in tandem with our second centre, our Nature & Wellbeing Centre by Edgbaston Reservoir.

The Centre hosts a wide range of community activities – Sports & Fitness, Little Settlers, Ageing Well, Training, Learning & Wellbeing, accredited Money Advice Services, and other social activities to bring people together to share and build community and personal wellbeing.

As Centre Manager and as a key member of the Settlements' Management Team, you will manage and lead the Centre through this important phase of development, ensuring we are fit and focused for the years to come, delivering high-quality services and activities our people want, deserve, and expect. You will have energy and vision, a track record in community development and enterprise, excellent leadership qualities with ability to motivate and inspire others. This is a busy but rewarding hands on role that cuts across all aspects of the charity.
